

## **Simon Pimenta BSc**

Simon has worked at Phil Parker's clinic since 2006, having trained as a Hypnotherapist, Neuro-Linguistic Programming Practitioner, Life Coach and Lightning Process Practitioner with Phil Parker. He qualified as a Counsellor in 1993 and has over 14 years experience helping people improve their lives, building confidence and developing self-esteem, overcoming stress, anxiety, panic attacks and other limitations.

He has 10 years Management experience, supervising staff, and building effective teams, devising and delivering training programmes.

He is committed to working with clients in a way that is interesting, stimulating and fun, helping them on the path to becoming effective, happy and successful in their lives.
